Victorious Academies Trust Overview

Our Trust was established in January 2018 and currently comprises three academies in Tameside. Our ambition is to grow the Trust to a hub of 10 primary academies initially encouraging good schools to join the Trust.

In the longer term our academies will include schools across the age, achievement and challenge continuum but they will have common threads. Trust schools will be dynamic, they will set achievement at the heart of what they do, they will understand their significance to the community and a moral purpose will inform their work. Additionally, they will take a collective responsibility for our success, leverage the capacity and capability within all our schools - particularly those that demonstrate outstanding practice.

Victorious Academies Trust aims to extend opportunity for young people and their communities by raising standards, providing environmental and cultural conditions for pupils, students, teachers and educational leaders to set their aspirations high and realise their goals.
